

Samskabelse og frivillighed i Aarhus

- Nye veje til velfærd

#delditfællesskab

Frivillighed og samskabelse i Aarhus Kommune – hvad bygger vi på?

Fra Aarhus' Medborgerskabspolitik:

“Et fælles samfund kræver en fælles indsats. For at fastholde og udvikle et socialt, økonomisk og bæredygtigt velfærdssamfund kræver det, at politikere, borgere, virksomheder, foreninger og medarbejdere i kommunen gentænker måden, vi er sammen om Aarhus.”
